

KONGU ENGINEERING COLLEGE

(Autonomous)

Perundurai, Erode – 638060

DEPARTMENT OF COMPUTER APPLICATIONS

24MCL33 – UI / UX DESIGN LABORATORY

Name : **SIVASUBRAMANIAN S**

Register Number : **24MCR104**

Branch : **Computer Applications**

Semester **III**

Certified that this is a bonafide record of work for the above student for **24MCL33 – UI / UX DESIGN LABORATORY** during the academic year **2025- 2026**.

Submitted for the End -Semester Practical Examination held on _____

Lab In-Charge

Head of the Department

Examiner - 1

Examiner - 2

List of Experiments

24MCL33 – UI / UX DESIGN LABORATORY

1. Design a Login Screen UI for a Mobile Application using Figma
2. Identify Interface Connectivity and Establish Module Connectivity between Different Program Components
3. Design and Implement Interaction Design with Functional Layout in Figma
4. Analyze and Implement Navigation Design for a Mobile Application
5. Create a Working UI/UX Prototype using Prototyping Tools (Figma/Adobe XD/Marvel)
6. Study and Analyze the Methods of Sharing and Exporting UI/UX Designs
7. Study the Working Flow of Custom Controls and Operational Controls using UI Tools
8. Implement an Information Search Module using UI/UX Principles
9. Design a Logo for an E-Commerce Application
10. Design a Promotional Email Layout for an E-Commerce App
11. Design a Brochure Showcasing the Features of the E-Commerce App
12. Create Responsive UI Elements for Different Screen Sizes using Figma
13. Design Clickable Prototyping for an Application using Figma
14. Develop a Design System for an E-Commerce Application (Grid, Spacing, Typography, Colors, UI Elements)
15. Design Social Media Advertisements using Online Tools and Applications (Canva/Figma/Photoshop)

LIST OF EXPERIMENTS

S.NO	Date	Exercise Name	Page No.	Marks	Signature
1	28.06.2025	Login Screen Design using Figma	01		
2	02.07.2025	Interface Connectivity Design	05		
3	05.07.2025	Interaction & Layout Design	11		
4	09.07.2025	Navigation Design	19		
5	19.07.2025	UI/UX Prototyping	23		
6	02.08.2025	Sharing & Exporting Designs	27		
7	06.08.2025	Custom and Operational Controls	31		
8	13.08.2025	Information Search Module Design	37		
9	23.08.2025	Logo Design for E-Commerce App	41		
10	30.08.2025	Promotional Email Design	45
